In April 2022, **Le Shuttle Freight** transported 128,980 trucks, an increase of 14% compared to April 2021, driven by the suspension of P&O services between 17 March and 26 April 2022. Since 1 January nearly 504,000 trucks have crossed the Channel aboard the Shuttles.

In April 2022, **Le Shuttle** transported 204,069 passenger vehicles, achieving the best monthly traffic since summer 2020 with more than 131,000 crossing during the Easter period (8-24 April) of which 36,592 vehicles crossed during the Easter weekend (15-18 April), confirming the upward trend observed in the first quarter. Since 1 January almost 500,000 passenger vehicles have crossed the Channel aboard the Shuttles.

Traffic figures for the month of May will be published on Thursday 9 June 2022 before the markets open.
